Rules for segment : PRELIMINARY - Complete DiveSheet will be performed. Diving Order : Random. Divers that advance into next segment : 12

If you need to add or remove carry over scores ( and do not use the rules pre coded in the software), please advance the divers in this screen , and continue. Then, from Events Management click "Chg.Qual" and choose whether to use carry overs and which way to sort the event.

The top twelve are highlighted but you can advance more if you have pre quals
